1 Octroi shall be levied in respect of animals or goods or both specified in the schedule to these rules at the rates noted against each (the items of the schedule and the rates to be specified by the Municipal Council concerned).

2 The Octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in charge of the Octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits, the Mutsaddi in charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer, for the settlement of the duty to be paid.

3 When the goods have been examined at the Octroi Ookads, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon: provided that, if the duty to which the goods are liable does not exceed five rupees, the Octroi Mutsaddi, may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received.

4 When goods accompanied by a pass as aforesaid are brought to the Central Office, they may be unloaded and weighed or counted by the Officer in charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Octroi Office. When the duty is paid as above, a permit shall be granted by the Officer in charge of the Central Octroi Office for the removal of the goods showing the quantity of weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the Office and one copy returned to the Octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

Whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer. In case the importer does not produce invoice, he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the Officer in charge of the Central Octroi Office to be false or unduly low, the value of the goods shall be assessed by the Officer in charge of the Central Octroi Office at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice, the value shall include all expenses such as packing charges, freight charges, cart hire, etc., less trade discount shown in the invoice.

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Central Octroi Office. Every deposit holder under this Rule shall submit on or before the 3rd of every month the stock accounts of the previous month for verification of the dutiable articles.
